

Recovery & Me

Voices from Soberstock 2009

“The will of God will not take you, where the grace of God will not protect you.”

If you are sober - even for today - you are a miracle. I am so thankful that recovery has happened to me.

Not every day is a great day, but sobriety has taught me and shown me that nothing is so bad, that a drink or drug won't make worse.

We have a purpose in life and it's not to be a menace to society, but to be a solution. We have an opportunity to be the best we can be in sobriety.

One day at a time, be blessed.
