

Voices of Recovery from Soberstock 2011

Reality: I no longer live in a fantasy world filled with denial and lies.

Energy: I have a real zeal for living each day to the fullest.

Compassion: Self seeking has slipped away. I truly care about others today.

Optimism: where I once felt hopeless and despair; I now feel hopeful and excited about each new day.

Vitality: I now have a love of Life!

Elated: I now know what it means to be happy, joyous, and free!

Rejuvenated: It is never too late to have a happy childhood!

Yet: My “not yet’s” will be granted to me if I ever fall backwards into my addiction.
