

## Voices of Recovery from Soberstock 2011

On July 21, 2011 God will have granted me the miracle of 21 years clean and sober. This is the best thing to happen in my life next to having 3 daughters born by my saint-like wife, Barbara.

My father, Stephen pointed me to AA over 22 years ago. He was the small voice of calm I needed to hear to get out of a life of dark and negative thought, feelings, and actions.

God bless you all in recovery
